Dear Parents,

Look through the list and see which you can assist with, and that you and your child will enjoy. Many of these are family events and other family members of a family can participate. This list ties in with the required Faith Explorations, Faith Experiences, and some just plain fun activities.

I cannot attend all of these events and will be counting on parents to ‘make things happen’ by your taking responsibility to supervise, keep track of kids, cars, etc. I’ll be back here doing workshops, trainings, etc, but I don’t want to have our enthusiastic, very well behaved and polite young people miss out on opportunities! The Faith Formation department staff will assist in many, many ways so you can volunteer your time for the event – and not all the ‘busywork’.

Join us in this active, fun and faith filled year! .

Betty Haran
