

Faith Formation Objectives 2006 - 2007

Stewardship:

We seek to increase our willingness to use our talents, as given to us by God, for the good of others. We will challenge each parish member to give back to God, as recognition of blessings received, their Time, Talent and Treasure.

- In place of the Time and Talent Expo, have volunteers witness to the congregation during masses and present their testimonies of Time, Talent and Treasure. How often?

Welcoming:

We will reach out to everyone who attends Mass and all church activities – spiritually, formationally and relationally.

- Include greeters at Faith formation activities:
 - Whole Community Catechesis
 - Training courses

Evangelization:

We will create an environment that will attract new members to the church. We will reach out to those who are un-churched and those who have left the faith. We will welcome all new members or returning members to our faith community in a caring and loving way.

- Increase youth participation at masses by:
 - Encouraging the creation of a children's choir to be used at WHAT MASS(?)
 - Continuing Youth music ministry
 - Continuing Children's Liturgy of the Word at all masses
 - Continue to have special "youth masses"
- Host the Couple Prayer Series which is open to all.
- Continue to provide Catechesis to adult & youth. This will help provide a solid foundation of catholic education as a means to Evangelization. Classroom, Clusters, Home Cat. Bible Study, RCIA
- Stump the Priest
- WCC
- Faith Formation Outreach
