

# Catechists!

Thank you so very much for offering to teach, lead and guide our children this year!

Catechists are asked to attend or have attended a Protecting God's Children (PGC) workshop, or Called to Serve if a high school student and a criminal background check must be on file.

A PGC and a Called to Serve training will be both held on October 30, 9-12 at St. Daniel. Register for PGC by going online to [www.virtus.org](http://www.virtus.org). Register for Called to Serve by calling the St. Daniel Faith Formation Office, 248-625-1750. Find other sites for the training also on the Virtus website and call individual parishes to register.

September 11<sup>th</sup> 10 a.m. -12 noon. A New Catechist workshop will be offered in the Cushing Center. You really need to know about supplies, storage and policies. Manuals and materials will be available for your professional development.
