

Each year shoeboxes filled with toys, school supplies and other items are sent to needy sections of our country. This year the boxes will be sent to Angel's Haven, Vansant Virginia and surrounding areas. Last year Mr. Carl Roos of St. Rita's Catholic Church in Holly was able to collect and deliver several boxes thanks to the help of the Vicariate churches. The community of St. Daniel's has participated with this project for the many years.

- Start with an empty shoe box, any size
- Make this a joyful family project. It was suggested your child earn the money through helpful chores to purchase the items being donated.
- Determine the gender of your box and the approximate age of the person you wish your box to go to (ages 0-elder) Ex. 3 yr. old boy, 8 year old girl, adult lady or man.
- Mark this information neatly on a slip of paper and attach it to the top of the box.
- Suggestions for box items:
  - Toys-small cars, dolls, stuffed animals, musical toys, yo-yo's, battery operated small toys and extra batteries.
  - School supplies, notes, cards, postage stamps, pens,
